INT. SPACESHIP - NIGHT

CHARLIE BALDWIN and his egg friend MIKE are zooming through space in a small, spherical spacecraft with a huge glass windscreen in the front. The former sits on a leather chair, holding a joystick with a button on top of it. With every press, he fires another laser at the other spaceships in the distance. MIKE on the other hand presses various buttons on the dashboard also in front of him.

The image freezes as CHARLIE fires, again. The NARRATOR talks over the picture.

NARRATOR

Are you ready for the film of the century? A film with a budget of hundreds of millions of pounds and featuring the best actors of this generation? If so, get ready for.... Star Eggs!

A WOMAN sings 'Star Eggs! The best eva heroes! Star Eggs! The mysterious eggs no one really knows... :O'

NARRATOR

There will be drama!

INT. HOSPITAL WARD - DAY

An EGG lies in bed with EGG NURSES and beeping machinery tending to his needs. A VISITOR (also an egg) enters the room and wipes away a tear.

EGG HOSPITAL VISITOR

This is just so sad...

The image freezes as another tear falls from the VISITOR'S eye.

NARRATOR

There will be action!

INT. SPACESHIP - NIGHT

Back in the spacecraft, CHARLIE fires like never before at a dozen enemy ships getting rapidly closer.

CHARLIE BALDWIN

Eat this, twats!!!

The image freezes as CHARLIE mouths another swear word.

NARRATOR

There will be romance!

EXT. LAUNCH SITE - DAY

It's a rainy day. A huge rocket in the middle of a deserted, flat countryside area has a small spaceship on top of it, and leading to that is a ladder. CHARLIE and WENDY are sitting next to each other on the grass, staring at the spacecraft in silence.

WENDY

I love you, Charlie. Be careful out there...

CHARLIE BALDWIN

I will, my adorable fluff puff.

CHARLIE walks to the spaceship and climbs. The image freezes as CHARLIE turns to and waves at WENDY.

NARRATOR

There will be horror!

INT. EGG'S BEDROOM

Here is a small room with wallpaper and curtains decorated with spaceships. CHARLIE is in bed with WENDY and by their side is a drawer. CHARLIE wakes up screaming.

CHARLIE BALDWIN

ALIENS!!!!!!!

The image freezes as CHARLIE widens his eyes.

NARRATOR

And there will be comedy!

INT. GYM - DAY

Dozens of EGGS are working out on the various gym machines as loud disco music is heard. CHARLIE on the other hand is standing and lifting weights as MIKE motivates him by saying 'Push it!'

CHARLIE BALDWIN

I can't! I can't do any more!

CHARLIE drops the weights on the floor making the floor violently rumble. This causes some other EGGS to fall over.

MIKE

Lol.

The image freezes as CHARLIE laughs as well.

NARRATOR

Put simply, there will be everything you can imagine.

(MORE)

NARRATOR (cont'd)
And not just from the goody's point
of you, either!

INT. EVIL WAR ROOM - DAY

HENRY, a stone-faced man in his 50s stands by a table with a number figurines on it, including human soldiers, eggs, tanks, spaceships, etc. A number of EGGS are by HENRY'S side.

HENRY
(coldly)
Charlie and his armies don't stand a
chance.

The EGGS nod in silence.

The camera rapidly zooms in and out of a child making a wowed faced, with his hands on his cheeks.

NARRATOR
Star Eggs, coming to a cinema near
you.

The WOMAN sings again, over the wowed face.

WOMAN
Charlie Baldwin always wins! He grins
when he wins. He wins all sorts of
things. After eating, he dutifully
bins. He bins all sorts of things as
well. He is swell, he never yells
(unless it's at baddie Henry), and if
someone trusts him to keep a secret
(which is often), he never tells!
Furthermore, everything he says and
hears, he can spell! Judging by his
intelligent facial expression, you
can tell. He never shows aggression
(unless it's towards Henry, etc.),
his hobbies include playing guitar in
jam sessions and hanging out with
best friend Scarlett Johansson.
However, his one and only love is
Wendy and she has good traits a
plenty. Much like Charlie. Charlie
always wins, he wins all sorts of
things. Too many things, if anything.

NARRATOR
That's enough of that, I think. Good
news for the company that sells
rhyming dictionaries, though. If you
DO like the song though, expect it to
smash the charts and order the CD in
the upcoming days! Bye!
