

DAN: Hello listeners! This will certainly be our trippiest podcast yet, because turns out James can see into the future!

JAMES: Yes I can.

DAN: And how did you get your gift??

JAMES: I was chosen.

DAN: Who by?

JAMES: My uncle.

DAN: Wow, he sounds amazing...

JAMES: Yes. You have no idea the amount of insane things he's done.

BEN: Didn't you say he built the pyramids?

JAMES: Yes. And he's made me psychic.

DAN: How??

JAMES: I'm not telling you, or you'd be psychic too. And then you'll try and work out the crimes against me you can get away with.

DAN: And is that how you've been using your powers?

JAMES: I'm a free man, aren't I? I've burgled your house.

DAN: YOU (expletive)!!

BEN: Calm down, Dan. He's messing with your head.

JAMES: Yes I am. And I'm getting away with it.

DAN: James, tell me your secrets now or else.

BEN: Can't you see what this is doing to you Dan? He can't see into the future!

DAN: He can, I know he can!

BEN: You're scaring me...

JAMES: I sense Dan will get more and more annoyed.

BEN: You really are loving this aren't you James?

DAN: You tell me how to see into future, Ben.

BEN: Fine. I will if James won't, because I'm also chosen by his uncle.

DAN: You've just waved your arms about mysteriously, Ben...

JAMES: Exactly. A real poser who knows nothing about the paranormal.

BEN: Dan, you ARE psychic now. You now know that in the very near future, James will annoy you.

DAN: Agreed.

JAMES: But... but that means to prove him wrong I'll have to be nice to him...

BEN: Do you see what this means, Dan?

DAN: We've done it. We've trapped him.

JAMES: Eh??

BEN: Now Lego! Isn't it great??

DAN: Fantastic!

JAMES: I don't... I don't understand...

BEN: What Lego have you been playing with lately, Dan?

DAN: Oh lots and lots. The model that really stands out is the truck. You can put a motor in it and drive it with a remote control!

JAMES: Huh?

BEN: Personally I really love the Lego boat. It floats!

JAMES: Oh screw being nice, I saw into the future and Dan looked like a prick.

DAN: Yeah, well I saw into the future and James hosted a seance and everyone died. Oh that happened already.

JAMES: That guy didn't die, actually. He had a mild heart attack caused by excessive positivity, not anger if that's what you're thinking. Only you and sometimes Ben get angry with me. And a few callers. The doctor treating the casualty later laughed it off.

DAN: I don't believe you.

JAMES: Yep.

DAN: He laughed off a heart attack??

JAMES: Yes. He just told the guy to eat some tomato soup.

DAN: Now that's a lie.

JAMES: No lie at all. He has a whole load of tinned foods in his van.

DAN: What doctor drives a van full of tinned foods? He had no medicine?

JAMES: Doesn't need it.

DAN: You really are full of crap aren't you?

BEN: Now now, let him give his version of the story...

JAMES: It's not a story.

DAN: What's his name?

JAMES: Doctor Soup.

BEN: James, were you being honest about Doctor Soup? This is important.

JAMES: Sure I am.

BEN: Do you know why it's important?

JAMES: Why?

BEN: Because if he really does exist, he needs to be reported to the police ASAP.

JAMES: I trust him. He's a great psychiatrist too, I've been seeing him for a few weeks now.

BEN: And what does he say to you?

JAMES: Just that I'm a great guy...

BEN: I can see how that's appealing to you, but has he helped you be less...

JAMES: Yes?

BEN: Mad?

JAMES: He said that madness was caused by hunger and he...

BEN: Offered you tomato soup from his van?

JAMES: Right!

BEN: James, if I ever came across such a person, I'd be genuinely fearful. What's

his REAL name?

JAMES: He wouldn't say.

BEN: And that wasn't creepy for you?

JAMES: No.

DAN: What Ben is trying to say, is that a man who calls himself a doctor, hides his real name, and drives around in his van giving people soup after saying heart attacks are fine, isn't a man to be trusted. Even if he was fully qualified and he chose to call himself Dr. Soup, I'd still be concerned.

JAMES: Why?

DAN: Because it's not serious, James. Doctors are supposed to be serious!

JAMES: Why?

DAN: Because if they joke around after you having a heart attack, it gives the impression they really don't care about their job in any way whatsoever.

JAMES: I disagree.

DAN: Also, you've just annoyed me again, so me and Ben were right about us seeing into the future.

JAMES: Yeah, well it was worth it. And what are the upcoming winning Lottery numbers?

BEN: We're not telling you.

JAMES: ...

BEN: Why are you so quiet?

JAMES: That's it, you've won then.

DAN: No way...

BEN: No...

DAN: You have no idea how long I've waited for this moment...

BEN: It truly is beautiful.

DAN: ... Complete elation.

BEN: ... Almost too good to be true.

JAMES: Screw you.

DAN: I knew it! I just knew you'd spoil the moment, that is so you!

BEN: Relax, Dan. This is the best it's ever going to get.

DAN: I suppose. Anyway, Lego.

BEN: We have exactly five more seconds to talk about it, so make it good...

DAN: Errrr... I like Lego?

BEN: Me too!

JAMES: Scre...
