INT. OFFICE - DAY

In this small room, a DIRECTOR (40) sits on a chair behind a table. He faces the also seated DOMINANT EGG, a normal-sized chicken egg that's completely still. On the walls are pictures of FILM STARS posing.

DIRECTOR

Hello, Dominant Egg. I've brought you here to discuss your role as a tough talking prison guard. Can you clarify your approach for me, please? Just to make sure were on the exact same page?

DOMINANT EGG

I was thinking I could just stand still and look badass.

DIRECTOR

And how will you look like that?

DOMINANT EGG

You know how Clint Eastwood never even blinked when firing a gun?

DIRECTOR

Yes?

DOMINANT EGG

I'm completely still ALL the time...

The DIRECTOR rubs his chin.

DIRECTOR

Fascinating, fascinating. Any why is that?

DOMINANT EGG

Just the way I am...

DIRECTOR

Excellent. Do you have any concerns about your role?

DOMINANT EGG

Please don't drop me.

DIRECTOR

Of course. And what about artistic concerns?

DOMINANT EGG

I won't have to chase anyone, will I?

DIRECTOR
Would that be a problem?

DOMINANT EGG
Would it look weird to you, if I
hover above the ground and zoom
towards people?

The DIRECTOR widens his eyes.

DIRECTOR
I think that will be fine. Actually,
I think it would look fairly
spectacular.

DOMINANT EGG
I won't have to handcuff people, will
I? That would be very hard for me.

DIRECTOR
No problem. Just look tough and fly.
Are they all your concerns?

DOMINANT EGG
Yes, sir.

DIRECTOR
Then you can go.

The EGG jumps off the chair and hovers to the door. The
DIRECTOR opens it for him.

DIRECTOR
Good day.

The EGG leaves the room.

INT. FILM SET, JAIL - DAY

On the left and right are closed, one-man jail cells with
screaming PRISONERS inside, shaking the bars. In the middle
is a straight metal path. At the back of the room is a
locked, metal door. The DOMINANT EGG stands in front of it.
The DIRECTOR is heard from outside the set.

DIRECTOR
Ok, all ready?... Then start filming,
now!

PRISONER 1
LET ME OUT!!! I CAN'T TAKE ANY MORE!!

The DOMINANT EGG is cool and completely still.

PRISONER 2
 LET ME AT THE EGG! I'M GONNA TEACH IT
 A LESSON!!!

The EGG is cool as ever. A PRISON GUARD in riot gear opens the back door and enters the room. GUARD 2 behind him carries a tray with rubbish food on it. The door is left open to reveal a car park.

PRISON GUARD
 What's going on here? What's all this
 noise??

PRISONER 1
 I'M GOING MAD!

PRISON GUARD
 Well, it's time for lunchables, so
 you can all chill out.

PRISON GUARD 2
 Mm!

GUARD NO.1 opens a cell on the left. PRISONER 1 runs through the opened door into the car park.

PRISON GUARD
 No!

The EGG starts to hover one foot off the ground.

DOMINANT EGG
 I'll get him.

The EGG zooms to the park.

Clapping is heard. The DIRECTOR'S voice is heard from outside the filming area, again.

DIRECTOR
 Great work fellas! This movie is
 going to be an instant classic. Now
 let's film the car park scene...

EXT. FILM SET, PRISON CAR PARK - DAY

A dozen or so cars are parked in an open space. A road surrounds the left, right and front of it, and beyond that are houses and shops. Unseen, the DIRECTOR is heard from the back of the area.

DIRECTOR
 And... start filming!

PRISONER 1 sprints forwards fast as he can towards the houses.

PRISONER 1
Laterz, suckers!

The DOMINANT EGG hovers after the CONVICT and soon catches up to him. PRISONER 1 turns his head to face the super close-by EGG as he continues running forwards.

PRISONER 1
Back off, egg! You don't scare me!

The EGG rises high into the air, then crashes down, just millimeters above the PRISONER'S head. The felon falls unconscious. The EGG rests on the ground.

DOMINANT EGG
(coolly)
Powned.

The DIRECTOR walks to the PRISONER as the latter stands. He then shakes his hand.

DIRECTOR
Excellent stuff guys, really. That was the most dangerous shot of the entire film and it went beautifully. Dominant Egg, I told you you didn't have to worry about breaking. No need to touch the actor, whatsoever!

The EGG bounces up and down with excitement.

DOMINANT EGG
This movie has everything! Drama, action, danger!

The DIRECTOR kneels and pats the EGG on the head.

DIRECTOR
Glad you feel the same. Now all we need to do is film the scene where the egg gives a new sentence to the attempted escapee.

DOMINANT EGG
Do you think maybe an egg with a degree in law is a bit unbelievable?

DIRECTOR
Na.
