

DAN: Hello listeners!

JAMES: Hello!

DAN: Today is a great day! James has finally got in trouble for the way he behaves online!

JAMES: Maybe I've alienated a few people. But it will all blow over.

DAN: James has been banned from the Deftones official site for spamming!

JAMES: As I said...

BEN: Is that all?

DAN: Is that all? James LOVES spamming people, in his words it's 'like warming hot chocolate with marshmallows on top', an 'adrenaline rush' and like 'finest champagne'. The fact he can't spam his favourite site will be a huge blow to him!

BEN: What did you spam, James?

JAMES: Just the normal stuff. Just I liked the band...

DAN: That's a complete lie! The band said they'd never found a fan to be more mentally ill.

JAMES: Heard it all before.

BEN: So what did you really spam?

JAMES: I just wanted to get their attention. I said that I loved them then told them to go away. If I gave a bad impression, then I apologise.

(The phone rings)

BEN: Hello caller...

CALLER: It's Deftones!

JAMES: Oh my God, oh my God, oh my G...

CALLER: Yeah. I just wanted to say.... Spam.

DAN: Ha! How does it feel???

JAMES: Coming from them? Pretty good! Like Ferrero Rochers on that special stuff from Hotel Chocolat!

BEN: What's going on in your mind, James??

CALLER: Spam, spam, spam.

(A thudding sound is heard)

BEN: James has fainted!

DAN: I'll wake him up for you...

BEN: Dan has whispered 'caffeine' in his ear and it's worked!

JAMES: Yeah, that got my attention. Wide awake. Anyway, I love spamming too, Deftones!

DAN: Deftones, you need to understand James doesn't think in the way normal people do...

CALLER: What do you mean?

DAN: You saying 'spam'; it's meaningless to him. In fact, he seems to like it to put it VERY mildly. If you could see him in this studio and his priceless, lit up face, you'd think he's just won the lottery. I'm not joking, this is really weird.

JAMES: Can you sing 'spam' to me? It would mean a lot. Your voice is so hypnotic. if you could play a heavy riff at the same time, I mean... wow.

CALLER: No.

JAMES: Oh. Please.

DAN: See how it feels now?

JAMES: I get it Deftones, I kept being nice to you and then kept taking it back. It was weird. I was just looking for attention, and I got it. So whilst I have no regrets, I want you to be nice to me anyway.

BEN: How's that for an offer?

DAN: James really does like any kind of attention, so if you want to upset him, I'd just hang up now.

JAMES: No!

CALLER: Errrr....

DAN: Oh I'll just hang him up.

JAMES: (Calmly) I'm not mad at you Dan.

DAN: Good.

(The phone rings again)

DAN: Hello?

CALLER 2: Hello! It's the band Senotfed!

BEN: Who???

CALLER 2: We're from reverse world, where everything is the wrong way round. What's really interesting is there's a reverse world James and he acts the same! Everyone else in our land are the opposites!

JAMES: Wow, reverse world James is exactly like me and spams everyone?

CALLER 2: Right! But reverse world Dan thinks you're great!

DAN: Take that back now.

CALLER 2: It's true!

JAMES: So I'm the same in all alternate realities?

CALLER 2: Yes!

JAMES: To be clear everyone else is the opposite?

CALLER 2: Yes! Where we come from, we completely suck!

JAMES: Oh no, no, no.

CALLER 2: It's true, we have no idea what we're doing!

BEN: This is really trippy.

DAN: How did you get contact details for this station, Senotfed? Are you in our reality now?

CALLER 2: Whilst in your universe James follows Deftones, in my universe we follow James as well, simply because he's somewhat of a physics anomaly. How did we get your number? Well there is one difference between James in your world and ours. In your world he is really stupid, but in reverse world he's really smart and he's figured out how to get numbers from other dimensions!

JAMES: I am smart.

DAN: Why are you calling?

CALLER 2: To spam him!

JAMES: Joy!

DAN: This is not joy, you being happy is my worst nightmare.

CALLER 2: Spam!

BEN: I would hang him up but I have to admit I am fascinated, Dan.

DAN: He's a troll!

CALLER 2: There's no trolling. Do you know what happens to you in reverse world?

DAN: What?

CALLER 2: Something great.

DAN: Something great??

CALLER 2: Yeah.

DAN: So something terrible will happen to me here?

CALLER 2: Yeah.

DAN: You ARE a troll aren't you?

CALLER 2: Nope.

BEN: Wouldn't you say this situation was terrible, Dan?

DAN: Fair point, but...

CALLER 2: No, I mean something much worse than this situation.

JAMES: Pown.

DAN: Oh screw you! First you say you like James and now this?

BEN: What happens to me in reverse world?

CALLER 2: Nothing.

BEN: Could be worse, I suppose.

JAMES: Right, you could be Dan!

CALLER 2: And you wouldn't want that.

DAN: Are you trying to be funny?

CALLER 2: I'm not trying, but I guess it is fairly funny, yes.

JAMES: Wow, Deftones in reverse world are assholes...

DAN: But you still like them?

JAMES: No I like them more now.

DAN: I walked right into that one.

JAMES: I actually expected better from you...

DAN: And that one, too.

CALLER 2: Anyway, must go. James in reverse world is at Dan's birthday party and we'll be performing as guests!

DAN: Podcast over. Please.

BEN: Fine. Bye listeners...

JAMES: Wow, we're going to end five seconds earlier than usual? Dn must be really upset...

DAN: Yes, I a...
