Ignore him! He reacts that way to everyone! - Fred

He's done it again! - Fred

(Angry face from James)

Believe me, there's a whole group of people online who know all about him. - Pete

(Angry face from James)

I see. But to be sure, have I done anything to upset you, James? May I ask what you're a doctor of? - Poster

(Angry face from James)

What am I a doctor of? I'm the person people see when they go to the doctor. What do you think I'm a doctor of? Crisps? - James

He thinks he's being clever... :S - Pete

(A smiley face is left by James)
