Score meanings:

0 points: It's hard to imagine anyone as demented as you. I mean, you ARE joking? Your view of appropriate driving is so grossly warped you need to be hospitalised, ASAP. And I mean seriously. You beggar belief!!!

1 - 15 points: You're not a COMPLETE freak like 0 scorers, but you very nearly are.

16- 30 points: Medications can help you, but get off the road right this second.

31 - 50 points: You have the mental age of a five year old/you are five.

59 points: You're a rubbish driver.

60 points: You're an average driver. You make mistakes, we all do. Let's just pray it's not a big mistake. You haven't driven whilst blind, have you?

61 points: You are a FANTASTIC driver and most likely a nice person! Well done!
