

BEN: Hello, listeners! We've got something pretty special! Some of you may know of an up and coming star named 'The Dominant Egg' and he's here with us now!

DOMINANT EGG: Thank you for having me.

BEN: Would you like to talk about your latest film?

JAMES: And nothing else.

DOMINANT EGG: What's that supposed to mean?

JAMES: There are rumours you're trying to replace me on this show...

DAN: Yep. They're true.

JAMES: Well, it's not going to happen.

BEN: Just let the egg tell his story. It's clearly unique.

JAMES: Ok. Let's hear his story. But if he then goes on to talk about Lego or anything else, I'll turn him into an omelette.

EGG: That's murder!

JAMES: It's not murder actually, it's eating food. The sad truth is, everyone here has eaten many eggs.

BEN: No, no, no.

DAN: No.

EGG: Ha. There you go, James. And what about if someone ate you when you were a pigeon? Wouldn't that be murder? I know people like you think murder only applies to humans.

JAMES: Who eats pigeons?

EGG: Some people eat pigeons, I'm sure.

JAMES: Yeah. Well, everyone eats eggs, they're just too embarrassed to say.

EGG: Do you have any idea how offensive that is to me?

BEN: Talk about your film!

EGG: Oh yeah. Sadly it's not very good...

DAN: Yes, I heard about that. Apparently it's supposed to be one of the worst films ever made...

EGG: Yes. I play a prison guard and I chase after people who escape by opening the door.

BEN: How do you do that?

EGG: I can levitate. Would you like to see?

BEN: Sure...

...

DAN: Now THAT'S cool!

JAMES: Oh wow.

EGG: I can also speak a few languages...

BEN: Not Latin I hope! (Laughs)

EGG: Yes!

BEN: Oh. No don't do that. It's punishable by death, now.

EGG: Really?? Why??

BEN: Didn't you know? James turned into a pigeon through Latin, it was that easy... Everything was going crazy all over the world, so a drastic new law had to be enforced...

EGG: I don't understand.

JAMES: I don't understand either, but it happened.

DAN: Have you been living under a rock recently, egg?

EGG: Before I made it big, I was suffering from a long period of depression and I wouldn't listen to anyone or anything... Truthfully, I acted like a real diva. But after intensive therapy I'm all fine now.

DAN: I'm sorry to hear that...

EGG: Thanks. It's just after my first role, I was expecting lots of work to come, but it never did. Other than omelette commercials, but I found them degrading.

BEN: I understand you're already working on a sequel to your last film?

EGG: Yep. I'll be playing a tough-talking judge...

JAMES: How did a prison guard get promoted to judge?

EGG: Don't assume that's what happened.

JAMES: Is it what happened?

EGG: Look, it's not about realism, it's about drama and excitement. Just like my last project.

JAMES: You just admitted your last film isn't very good!

EGG: It's relatively good at least.

JAMES: To what? Watching paint dry?

EGG: No, you.

JAMES: Who do you think you are?

EGG: What do you mean?

JAMES: Saying your film is relatively good, and calling yourself 'The Dominant Egg'.

EGG: Actually, I've had that name since birth.

JAMES: Oh ok, sure. And who named you?

EGG: My mum. The Dominant Pigeon.

BEN: Oh no.

EGG: What?

BEN: Please don't talk about pigeons. It will set James off.

EGG: What's that supposed to mean?

BEN: Let's just say he has a... colourful relationship with them...

JAMES: Can't stand them. In fact I hate them.

BEN: Wow, James. Is that all you have to say?? You're not going to go off on a huge rant, again?

DAN: A pathetic attempt at being professional.

JAMES: I'm not worried about the dumb egg replacing me. Not at all. I don't give a flip about being professional.

EGG: I'm not going to replace you.

JAMES: Good. THEN SCREW YOURSELF.

DAN: Wow. You were a pigeon too, you know...

JAMES: I wasn't a pigeon, I was a man in a pigeon's body. It's like people wearing leather shoes. Are you a cow, Dan? Why can't you understand me?

DAN: To be honest, I don't think anyone understands you...

EGG: James, can we just be friends?

DAN: You want to be his friend?? You really have been living under a rock.

BEN: Right. He has no friends, just other people he 'powns'.

JAMES: You're just jealous you can't pown people like I can...

DAN: Not this again. Who have you powned, exactly?

JAMES: I've powned you countless times!

EGG: Maybe you could teach me to pown people, James?

DAN: NO!

JAMES: Hm. Maybe. Maybe.

DAN: Please!

JAMES: Here's an idea, when Dan talks, fly into his mouth.

EGG: No. Too dangerous.

JAMES: Then rough him up a bit.

DAN: What??

EGG: No!

JAMES: Then we can't be friends. Sorry.

DAN: Oh no!

EGG: Maybe I could stand on his head and make him look foolish?

JAMES: Yep, I guess that sounds like a form of a pown...

...

JAMES: Oh. You've stood on MY head.

EGG: Now I've powned you!

JAMES: Touche. Touche.

BEN: Well done, Egg. You've won James's respect. How do you feel?

EGG: Errrr... A bit peculiar, maybe.

JAMES: That's because of Dan.

EGG: Oh.

DAN: What?? 'Oh'?? You really are gullible aren't you? It's because of James!

JAMES: I may be many things, but I'm not peculiar. And I don't make people feel peculiar.

DAN: You look peculiar...

JAMES: And what does that mean?

DAN: You're wearing shoes on your hands!

JAMES: I lost my gloves...

DAN: It's hot in here!

JAMES: I don't know how to answer that...

BEN: And why do you have slices of cheese wrapped around your arms?

JAMES: I'm not sure...

DAN: Egg, James is not the kind of person you want to talk to or even think about. As this show is about to end, maybe you'd like to insult him?

EGG: Err...

DAN: For me.

EGG: Prick.

DAN: There we go.

JAMES: Screw you!

BEN: Bye, listeners...
