INT. MEETING ROOM - NIGHT

A MAN (50s) in an untucked black suit and poorly put on tie sits at a table and taps it. He faces a wide-eyed WOMAN (early 20s) wearing casual clothes. The room is dimly lit and atmospheric. Shelves on the left of the MAN are filled with trophies.

WOMAN

Please, for the last time, I'm begging you! You CAN'T let my boyfriend race, it's far too dangerous!

The MAN wipes sweat from his forehead.

MAN

Look, just relax. There are risks, sure, but they are very very small...

WOMAN

Very small??? Are you joking??? Do you know how fast those go karts go??

EXT. GO KART AUDIENCE - DAY

It's raining, just outside a small building. A dozen SPECTATORS sitting and standing on tables goes wild. They chant 'Race! Race!' repeatedly.

INT. MEETING ROOM - NIGHT

WOMAN

The race lasts 2 hours! Did you hear me?? Two whole hours!

EXT. RACE TRACK - DAY

A close up shot of go karts zooming on a wet track at around 20 mph. A 'yahoo!' comes from one RACER.

INT. MEETING ROOM - DAY

WOMAN

This is wrong! Completely wrong! NOTHING about this is ok! Nothing about this is right!

MAN

Please, just listen...

The WOMAN flips the table over and storms out of the room.

EXT. RACE TRACK - DAY

A slow motion shot of a go kart spinning off the track.

INT. MEETING ROOM - NIGHT

The MAN runs out the room as he shouts.

MAN
Come back! You don't understand! Your
boyfriend can actually win this
thing!!

The screen gradually goes black. The words of the NARRATOR then zoom in and out.

NARRATOR
(with an epic sounding
voice)
Speed. Power. Passion. A risk-taking
businessman. A hysterical young
woman.

The blackness fades into the next scene.

EXT. RACE TRACK - DAY

A kart crashes into the back of another kart.

The screen fades to black again. More words are shown.

NARRATOR
You are watching... Go Kart: Faster
than the speed of right!

An EGG fades into view over the black backdrop. He gets closer and closer.

NARRATOR
Starring the Dominant Egg as himself.

The EGG bounces up and down.

EXT. RACE TRACK - DAY

An EGG with no helmet races with two karts by his side.

EGG
Eat my dust! You're challenging the
Dominant Egg here! Good luck, you're
gonna need it!!

INT. MAN'S BEDROOM - NIGHT

The 50 year old MAN from earlier lays in bed alone, twiddling his thumbs. There is more dim lighting.

MAN

No one can beat the Dominant Egg,
what was I thinking?

The MAN exhales deeply.

MAN

No. When there's a will there's a
way, and my God is there a will.

A female voice echoes in the MAN'S head...

VOICE

Do you know how fast those go karts
go??? Do you know how fast those go
karts go?? This isn't right!

MAN

(chuckling nervously)
I should have told that young woman
the racers will be going faster than
the speed of right!

VOICE

That's silly.

MAN

Oh. No, actually you're wrong.

The MAN closes his eyes hard. The screen goes black once more.

NARRATOR

Go kart: Faster than the speed of
right. In cinemas now.
