

SiteAdmin: I'm glad that's all been sorted out. :) Any other questions about computer problems they might be experiencing?

PeppaPigStoleMyGirlfriend: My computer keeps crashing and I keep getting a message flashing up saying 'You've been powned by Peppa Pig.'

SiteAdmin: Wow. I'm so sorry to hear that.

PeppaPigStoleMyGirlfriend: So what do I do?

SiteAdmin: Do you have anti virus software?

PeppaPigStoleMyGirlfriend: Yes, the very best! :S

SiteAdmin: Let me get this straight, you think you've been hacked by someone calling themselves Peppa Pig?

PeppaPigStoleMyGirlfriend: No, Peppa Pig...

SiteAdmin: Excuse me?

PeppaPigStoleMyGirlfriend: The cartoon!

SiteAdmin: Come again?

PeppaPigStoleMyGirlfriend: It's real...

SiteAdmin: You're talking about someone who dresses up as Peppa Pig? A children's entertainer?

PeppaPigStoleMyGirlfriend: No...

SiteAdmin: You're just an idiot aren't you?

Zak Dingle: Take that back, now.

SiteAdmin: And who are you?

ZakDingle: It isn't clear?

SiteAdmin: You're saying you're the real Zak Dingle? From Emmerdale?

ZakDingle: There we go. A farmer with a great beard, and excellent values.

SiteAdmin: The man that plays him or the fictional character?

ZakDingle: The fictional character.

SiteAdmin: I see.

PeppaPigStoleMyGirlfriend: I believe him.

SiteAdmin: Are you James Ziegler?

PeppaPigStoleMyGirlfriend: That's not his name anymore. He's changed it to Steve Alan Smith. Like S.A.S. Or Special Air Service.

SiteAdmin: Why not fully change your name to Special Air Service?

PeppaPigStoleMyGirlfriend: That's not a bad idea actually. But I'm neither James or S.A.S.

SiteAdmin: Who are you then?

PeppaPigStoleMyGirlfriend: My real name? It's

SiteAdmin: Yes?

PeppaPigStoleMyGirlfriend: Jim.

SiteAdmin: Short for James?

PeppaPigStoleMyGirlfriend: F...

SiteAdmin: Any more language like that, and I'll have you banned for life...

PeppaPigStoleMyGirlfriend: Ok, it's James. But Peppa Pig HAS hacked me. That's real.

SiteAdmin: And are you Zak Dingle?

PeppaPigStoleMyGirlfriend: Yes, look, what do I do???

SiteAdmin: Call the police?

PeppaPigStoleMyGirlfriend: I really don't want to do that. He is a bad man. Or pig, I'm not 100% sure. Doing so would only enrage him. He threatened me by saying 'I'll report for for stalking Dan', which is fair enough, I do stalk him, but I was like 'You're threatening ME? You're a no good computer hacker!' But he was having none of it and now my PC is f...

SiteAdmin: I've warned you about that kind of language. You're banned.

ZakDingle: It's happening again.

SiteAdmin: Good. You're banned too.

PeppaPig: I'm coming for you, S.A.S.

SiteAdmin: Please don't call him that. It makes him sound impressive.

PeppaPigStoleMyGirlfriend2: I'm back! It's surprisingly easy to log back in, all you have to do is create a new account and use a different device, I'm on my mobile! I hardly ever use it though, so I'm not 100% sure what I'm doing...

PeppaPig: Hello. James.

PeppaPigStoleMyGirlfriend2: Oh dear God, I've somehow managed to send this entire conversation to the guy giving me a job interview later. That's not good. I'm not even sure how I did it. I'm so screwed.

SiteAdmin: What job are you applying for??

PeppaPigStoleMyGirlfriend2: I want to be a lawyer.

SiteAdmin: And who in their right mind would want James as a lawyer?

PeppaPigStoleMyGirlfriend2: That's why I'm so scared, my plan was to lie about my name.

PeppaPig: I've had access to your emails. You once said you hated the legal system for investigating you for crashing Dan's car on multiple occasions. You said that to a friend you hadn't spoken to in years.

PeppaPigStoleMyGirlfriend2: It was an icebreaker.

PeppaPig: How's that going to look to your so called employer?

PeppaPigStoleMyGirlfriend2: Well, I wasn't going to get the lawyer job in the first place, so...

PeppaPig: Yes, but try getting a job as an Ice cream taster. I know how much you love ice cream...

PeppaPigStoleMyGirlfriend2: You know about me breaking in to the factory and eating all the ice cream?

PeppaPig: :)

PeppaPigStoleMyGirlfriend2: In a way... that shows my enthusiasm. I mean right?

SiteAdmin: No one has ever said breaking into a building, eating all the ice cream and throwing up everywhere is good. I'm assuming you threw up?

PeppaPigStoleMyGirlfriend2: Yes, everywhere. Peppa Pig hasn't just had access to my computer, he's controlling everything in my house, THAT'S why I hate technology.

SiteAdmin: What's he controlling?

PeppaPigStoleMyGirlfriend2: He's controlling the heating system. He knows my mood is worse in hot temperatures, what he's doing is boosting my moods and making me miserable at random times in a sick power trip! Do you know what that's like? Someone doing that to you? I'm essentially Peppa Pigs puppet!

SiteAdmin: This conversation really is going beyond my training...

PeppaPig: Let's turn the heat up a notch...

PeppaPigStoleMyGirlfriend2: Feeeeling really sluggiiiish....

PeppaPig: And make it cold again...

PeppaPigStoleMyGirlfriend: OhmyGodthisismuchbetterOhmyGod...

SiteAdmin: Please! Be normal! I'm intrigued though.

ZakDingle2: Tractors!

SiteAdmin: What?

ZakDingle2: Feedthesheepandcuttheirwool!

SiteAdmin: Feed the sheep and cut their wool?

ZakDingle2: YesohmyGod!

PeppaPig: And now make it hot again...

ZakDingle2: Haaarvest the cropsssss.

SiteAdmin: Feeling sluggish again?

ZakDingle2: Yeah.

SiteAdmin: Well this is all very fascinating, but there are site users who have problems I can deal with...

PeppaPigStoleMyGirlfriend2: Yes! My psychiatrist said that I'll never get better!

SiteAdmin: I meant computer problems.

PeppaPigStoleMyGirlfriend2: I have an interesting idea, instead of calling myself Special Air Service, I could just change my first middle name to 'Andrew'...

ZakDingle2: James Andrew Zack Ziegler?

PeppaPigStoleMyGirlfriend2: Damn right. Jazz. Very cool.

SiteAdmin: Do you like jazz?

PeppaPigStoleMyGirlfriend2: No. But it's better than being called ji...

SiteAdmin: That's enough of that.

PeppaPig: Now I'm going to turn your lights on and off...

ZakDingle2: I like it. It's like strobe lighting.

PeppaPig: And now I'm making the temperature even hotter...

ZakDingle2: Now that's too far.

SiteAdmin: Go away!!

ZakDingle2: Me?

SiteAdmin: Yes!

ZakDingle2: What about the rest of the Dingles? Charity Dingle?

SiteAdmin: Yes!

ZakDingle2: Sam Dingle?

SiteAdmin: Yes!!

ZakDingle2: Butch Dingle?

SiteAdmin: Everyone in your family!

ZakDingle2: Ha! Butch Dingle died ages ago! Shows what you know...

PeppaPig: And you'll be the next Dingle to die! :O

SiteAdmin: If I'm not going to get any information from James, I'll ask you. Are you the real Peppa Pig?

PeppaPig: No, I'm Dan. Hahahaha. Hahahaha.

SiteAdmin: Come again?

PeppaPig: Whoops, that's not what I meant. It's not what I meant!

PeppaPigStoleMyGirlfriend2: I knew it all along!

SiteAdmin: You're all banned!!!
